ISF WORLD SCHOOL CHAMPIONSHIP **BASKETBALL 3X3** **2020**

RAIPUR, CHHATTISGARH (INDIA)

18-24/04/2020

INTRODUCTION

ISF World Schools Championships (WSC) are events characterized by a balanced program between sport and educational content: the balance between sport and education is to create awareness about the role of sport in putting forward topics such as fair play, healthy lifestyle, respect, inclusion. Beside the name of the respective member, teams will defend the colors and name of the specific school they represent. This format is meant to create a strong identification between the students and the school they attend. WSCs are team competitions, meaning that individual events do not award any medals, but only contribute to the final team result. The number of teams per delegation per category differs from sport to sport. One ISF member may enter the WSC with more than one school team. Age categories for WSC are outlined in the respective sport-specific rules.

The educational program and the sport format of the event shall always be adapted to the age of participants: in general, in events for lower age categories, the educational content will have a more prominent role. Besides the Basketball Championship, Special emphasis will be given in Education topics for all the participants: athletes, Coaches, Referees, Head of Delegations.
