### **Re: ISF World Basketball 3x3 Championship – 18th-24th April 2020 – Raipur, India – CANCELLED/ POSTPONED**

Dear Friends,  
Dear Colleagues,

We would like to inform you that the members of the General Assembly meeting on the 3rd March in Belgrade, Serbia, decided to follow the proposal presented by the Local Organising Committees of the ISF events when it comes to the Coronavirus situation.

The proposal presented by the Local Organising Committee of the ISF World Basketball 3x3 Championship – 18-24 April 2020 – Raipur, India on the 5th of March is to cancel the event on these dates and to postpone it. The main reason is the decision of the Indian authorities based on the current stage of development of the Coronavirus. We are currently cooperating with the School Sport Entity of India in order to propose in the coming weeks a new date for this event in the year 2020. We will do our utmost to inform you as soon as possible on the new proposed dates.

We would like to thank you for having shown interest in this event. We are sorry for the inconvenience that has occurred and remain at your disposal for any support you might need in facing this situation. The health of the ISF family members and participants is our priority and we will continue working closely with all our local organising committees in order to evaluate each local situation.

We thank you for your understanding and cooperation in this matter.

Yours respectfully,

**Hrvoje Custonja**  
ISF Secretary General/ CEO

**Laurent Petrynka**

Member of IOC Olympic Education Commission
